

AQ130 USER MANUAL

AQQA Automatic Fish Feeder

Thank you for choosing the AQQA automatic fish feeder. For a complete understanding of the operation and function of the fish feeder, please read and follow these instructions for proper installation, maintenance and use.

AQQA Intelligent Automatic Feeder is a multifunctional automatic and manual feeder that means you no longer have to worry about your fish starving when you're out. It is the first choice for aquarists!

PRODUCT DIAGRAM

PRODUCT SIZE

1. PRODUCT FEATURES

1. Main material: ABS material.
2. 250 ml Large Capacity Fish Food Container.
3. Two 1.5 V batteries are required to use this product (Batteries are not included in the package).
4. This product is a button-operated intelligent feeder with manual feeding and automatic feeding. It is the ideal equipment for aquaculture and the first choice for aquarists.
5. The feeding amount can be freely adjusted by the gear switch on the feeder side, and the user can follow the feeding scale to select the desired feeding amount.
6. This feeder has a manual feeding function; you can press the power switch to feed manually when the feeder is on, and the interval between two manual feedings must be more than 30 seconds. Even if you have set automatic feeding, you can also feed manually, which does not affect the time already set.
7. You can select the desired feeding duration from 8h, 12h, 24h, and 48h. Press the power switch to set the desired feeding duration. Each time you press the button, the indicator light jumps to 8h, 12h, 24h, and 48h in succession.

Instructions of the indicator light:

- The indicator light above "8h" lights up, indicating automatic feeding every 8 hours.
- The indicator light above "12h" lights up, indicating automatic feeding every 12 hours.
- The indicator light above "24h" lights up, indicating automatic feeding every 24 hours.
- The indicator light above "48h" lights up, indicating automatic feeding every 48 hours.
- The indicator light does not light up, indicating the automatic feeding is deactivated.

8. This feeder is moisture-resistant and does not clog. The feeding amount is adjustable, and the food container can hold pellets, chips, bars, or flakes. The feeder is perfect for feeding your favorite fish or turtles at weekends or when traveling!

2. ATTENTIONS

1. Open the cover of the food container and then set the desired feeding amount to prevent feeding from being interrupted during feeding.
2. If the battery runs out of power, please replace the battery in time to avoid affecting normal feeding.
3. The feeder is not waterproof.

3. AQQA LIMITED MANUFACTURER'S WARRANTY

We offer the end user of this product a manufacturer warranty of 2 years from the date of sale if this product was purchased from an AQQA[®]-authorised specialist dealer

Retain receipt for any future warranty claim. Conditions apply. Products are guaranteed by AQQA[®] Aquatic Supplies to the original purchaser against defective material and workmanship under normal use for a period up to 2 years from the date of the original purchase through an Authorized Dealer. Refer to the User Manual included with your product for specific warranty details.

Products have no warranty if:

1. The product has been serviced, modified or tampered with by anyone other than AQQA[®] Aquatic Supplies.
2. The product has been abused or damaged (including broken or cracked bulbs), and/or.
3. The product has been transported without proper packaging.
4. The product was purchased from an Unauthorized Reseller.

WARRANTY LIABILITY DISCLAIMER

In no event will AQQA[®] be liable for any consequential or incidental damages, including but not limited to, lost aquatic life, personal injury, property damage, equipment damage, lost profits, lost wages, lost savings, lost income, etc., arising out of the use of any AQQA[®] products.

1.0. Terms and Conditions of Warranty.

- 1.1. AQQA[®] warrants to the purchaser, for 2 years from date of original purchase through an Authorized AQQA[®] Reseller, free to repair or replace parts where fault is found due to defective materials or faulty workmanship and where goods do not operate in accordance with the instructions.
- 1.2. All claims for repair or replacement must be made at place of purchase.
- 1.3. Only the direct purchaser is entitled to warranty claims against us and these are not transferable without our consent.
- 1.4. The original and dated Proof of Purchase (receipt) must be supplied with all goods claims. Please also provide this Guarantee where possible.
- 1.5. Wear parts (e.g.: seals, suction devices, axes, pump wheels, light sources, pH electrodes, filter media, such as filter cartridges, as well as UVC burners), glass damage and the opening of the product, as well as structural changes or the use of non-AQQA[®] original parts are excluded from the guarantee.
- 1.6. All goods subject to claim under Guarantee should be prepared for transportation in the original packaging or other comparable packaging which offers the same degree of protection and AQQA[®] must incur no costs from the shipment.
- 1.7. Where claims on inspection reveal goods are in normal working order, AQQA[®] will request reimbursement of all reasonable costs incurred.

- 1.8. Warranty claims do not exist in the case of only insignificant deviations from the agreed or customary condition or usability, e.g. insignificant deviations in colour, dimensions and/or quality or performance characteristics of the products.
- 1.9. Our warranty obligation extends only to the delivery of newly manufactured products. Unless otherwise agreed, used products are sold as seen, excluding any warranty.

4. DISPOSAL

Do not dispose of this product as unsorted municipal waste. Collection of such waste separately for special treatment is necessary. This product has to be disposed of at an authorized place for the recycling of electrical and electronic appliances rather than being disposed of together with the domestic waste. Collecting and recycling waste is a way of saving natural resources. So, please consult with your local seller to make sure the product is disposed of in an environmentally friendly way.

5. PACKING LIST

1x Automatic fish feeder
1x User manual
1x Food container
1x Adhesive
